

Dear Friend:

Thank you for your interest in our free Christian tracts. Our aim is to encourage every Christian to spread the Good News that Jesus Christ is Lord and Savior...

"That if you confess with your mouth the Lord Jesus, and believe in your heart that God Has raised Him from the dead, you will be saved." [Romans 10:9]

Our tracts are fun and interesting to read and provide a simple yet effective way to share the word of God. There are many ways to use tracts. They are a time-tested method of spreading the gospel. We have sent you master copies of our tracts that we hope you will duplicate. It can be done on any copying machine that makes two sided copies. We want every Christian to be a tract publisher! If you have a computer and access to the internet, we invite you to visit our web site, (if you haven't already). Look for us at....<http://shareyourfaithministry.faihwweb.com/>
We have many different tracts that can be easily downloaded and printed , as well as illustrated Bible messages. Do you write tracts or bible studies? Contact us! The tracts at our website were written by many different people. We believe fully in releasing one another, as brothers and sisters in the Lord, to serve God with every gift we have been given. We believe that the "church" the body of Christ which the bible describes, consists of many different parts--ALL of which have a function--an anointing--a ministry. We are praying that these tracts will be a blessing to you. We pray these tracts will release the Gospel in you, and that the Lord will use your gifts to save many souls!

May God bless you as you serve Him,

Matthew Jenne

This may look like a small envelope, but it contains your very own tract ministry! We suggest that you save these as master copies (don't cut and fold them right away!) It is very easy to duplicate your tracts on any copying machine that makes two-sided copies. These tracts can also be scanned into your computer and printed on your own home printer. You can print hundreds or thousands of tracts for pennies a piece.

Simply fold the page along the lines so that the front cover is facing forward and cut where indicated.

Also Included in this packet, free of charge, is a CD with all of our tracts, devotionals, and bible studies on it.

Adobe Reader is required to open these files. Adobe Reader 8.0 Installer is also on this CD
